**Subject:** Request for a Second Public Meeting--USS Lead Superfund Site Proposed Amendment to the ROD

**Importance:** High

Dear Mr. Ballotti,

Please find attached a letter from the East Chicago Calumet Coalition Community Advisory Group (CAG) requesting a second public meeting where you will accept public comment on the Proposed Amendment to the Record of Decision for the USS Lead Site.

As you know, several residents left Thursday's meeting with their questions unanswered and comments unheard. The CAG hopes that, in the spirit of the United States Environmental Protection Agency's stated commitment to this public comment process, you will schedule a second meeting and do so at a time and place that maximizes the opportunity for you to hear from the impacted community. The CAG also requests that you extend the comment deadline as appropriate to accommodate the additional meeting.

Thanks much,

Debbie Chizewer
